20 Raymond and Regina Mariolle provide notice to the Court, counsel and the parties that the
21 plaintiffs and defendants participated in post-trial mediation of the claims pending in this action on
22 Tuesday, August 14, 2012 with Michael Ornstil presiding as mediator. The parties engaged in post-
mediation negotiations until Monday, August 20, 2012. In spite of the mediation and post-mediation
negotiations, the parties were unable to resolve this matter.

25 There are currently pending before the court post-trial motions filed by plaintiffs and defendants.
26 Pursuant to agreement of the parities, the district court deferred action upon the post-trial motions of
plaintiffs and defendants until the completion of mediation or thirty days, whichever event occurred first.

1 With the completion of mediation, the plaintiffs respectfully request that the district court enter
2 judgment, ruling, order or other relief regarding the post-trial motions of the parties.

3 Respectfully submitted,
